

RESIN FOLDING CHAIRS

Our resin folding chair, sometimes called a Garden or Wedding chair, is one of our most popular items ... and with good reason. It's low-maintenance — no painting is ever needed — and attractive enough for any special event, whether indoors or outside. Not only is it a classic style, they are easy to handle, easy to maintain, easy to use. And they can support up to 1,000 lbs.!

Our resin folding chairs feature ...

- Made from 100-percent polypropylene resin
- Stainless steel never-rust screws and hardware
- Load rests on two seat bars, not on screws
- Load tested by SGS Laboratories
- Screws go all the way through legs, no lag screws used

Our resin folding chairs feature ...

- Heavy duty — supports up to 1,000 lbs.
- Comfortable, flexible, padded foam seat snaps in and out for easy cleaning
- Simple interlocking feature makes stacks easy to move and store
- Stacks horizontally or vertically, and will stack with most other brands, including PS/Drake
- Stain resistant surface; just wipe clean
- Weatherproof and UV protected to prevent fading during outdoor use
- Available in black or white; solid color goes all the way through!
- 3-year limited warranty
