BANQUET TABLES

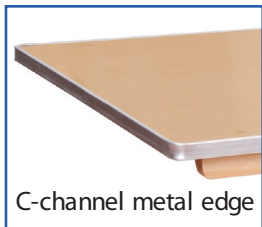

Events and meetings need tables all the time, and our tables are THE BEST ones for you! Banquet tables and conference tables are always in stock at our east coast and west coast warehouses, ready to ship whenever you are ready for them. These workhorse wood tables are built of exterior-grade birch plywood with waterproof glue, and have a blond finish with polyurethane coatings on top and bottom, making them perfect for party rentals, hospitality or any venue. We offer rubber bull-nose edges on all our wood tables and C-channel metal edges on many styles.

BANQUET TABLES

All of our round, cocktail and serpentine tables are made from durable, reliable ACX birch plywood to make them some of the highest graded tables around. We glue the plys with waterproof glue to stand up to outside use, then we add a polyurethane finish to the top and bottom for added protection. A rubber bull-nose edge wraps around the table for even more protection, making these tables an excellent choice for banquet halls, hotels, churches and rental companies.
